#### AMOUNT OF PENSIONS

16.—(1) The annual pension of a member at his normal-retirement date shall be the sum of

- (a) 1.5 per cent of his maximum base annual earnings at any time during the period of 5 years immediately preceding the 1st of September 1948 multiplied by his established service, and
- (b) 2 per cent of his earnings after the effective date in respect of which contributions have been made to the fund;

but a pension payable at a normal-retirement date that is before the 1st of November 1953 shall not be less than the pension being paid or which would have been payable under the superseded pension-fund.

(2) The annual pension of a member at an early-retirement date shall be the actuarial equivalent of the pension in subregulation 1 accrued to the early-retirement date.

#### CONTRIBUTIONS OF MEMBERS

17.—(1) From the date of becoming a member and until

- (a) normal-retirement date,

- (c) termination of employment,

the member shall contribute 5 per cent of his earnings to the fund.

(2) The contributions of a member may be deducted by the Commission from his pay and paid into the fund.

#### PAYMENT OF PENSION

18.—(1) Subject to subregulation 2, the annual pension shall be paid at a monthly rate, the first pay-

ment to be made on the retirement date, the second and subsequent payments on the first of each month thereafter and the final payment of a full month's pension on the first of the month in which the pensioner dies.

(2) Where a member or pensioner dies before having received an aggregate amount equivalent to his pension for 5 years, the balance shall be paid in monthly instalments or in a single sum that is the actuarial equivalent thereof, as a death benefit,

- (b) if there is no beneficiary, to the executors or administrators of the member or pensioner.

a specified percentage whereof, upon his death on or after his normal-retirement date, or the early-retirement date, as the case may be, shall be paid to and during the life of a surviving contingent annuitant named in the election, and the reduced pension shall be the actuarial equivalent of the member's pension under regulation 16, and subregulation 2 of regulation 18 shall not apply.

(2) The election if made within 2 years of the member's normal-retirement date or the specified early-retirement date, except when made before the 1st of April 1949, shall not be effective unless the Commission is furnished with evidence, satisfactory to it, of the member's good health.

If the monthly instalment of a pension is under \$50 the Commission may pay the pension in a single sum or in any form of modified annuity, either of which is actuarially equivalent to the pension, and subregulation 2 of regulation 18 shall not apply, but upon the death of the pensioner before the expiration of the period during which the modified annuity is to be paid the remainder thereof shall constitute a death benefit payable monthly until the expiration of the period, or in a single sum which is the actuarial equivalent thereof,

- (a) to the beneficiary and the executors or administrators of the beneficiary, or
- (b) if there is no beneficiary, to the executors or administrators of the pensioner.

#### DEATH OF MEMBER BEFORE NORMAL-RETIREMENT DATE

22.—(1) Upon death before his normal-retirement date of a member who has not been retired at an early-retirement date, a death benefit equal to the sum of the member's contributions in the fund, with credited interest, shall be paid to the beneficiary or if there is no beneficiary or the beneficiary has predeceased the member, to the executors or administrators of the member.

#### TERMINATION OF EMPLOYMENT

23. Upon termination of employment other than by death or retirement on pension, a member

- (a) shall be paid the sum of his contributions in the fund, with credited interest, or
- (b) being a male who has attained age 55 or a female who has attained age 50 and has completed 15 years of continuous employment, may elect to be paid the contributions referred to in clause *a* or a pension at the normal-retirement date computed in accordance with subregulation 1 of regulation 16.

#### RE-EMPLOYMENT

24. Subregulation 2 of regulation 5 shall apply to a member whose employment has been terminated other than by retirement on pension and who again becomes an employee, but where the employee

- (a) again becomes a member within one year after the date of termination, and
- (b) elects to repay to the fund
  - (i) in a single sum on the date of again becoming a member, or
  - (ii) by deductions from pay during one year after the latter date,

the amount received from the fund by him and interest thereon at 3 per cent a year to the date of repayment,

8. Where property is seized or attached while in the possession of the claimant, the case shall proceed with the attaching creditor as plaintiff and the claimant as defendant, and in all other cases it shall proceed with the claimant as plaintiff and the execution or attaching creditor as defendant.

9. The claimant shall within five days after the day of service of the summons upon him deliver to the bailiff, or leave at the office of the clerk of the court, particulars of the property claimed by him and the grounds and particulars of his claim, or in case of a claim for rent, the amount and particulars thereof, provided that by consent of all parties, or without such consent if the judge shall so direct, an interpleader claim may be tried, although these rules may not have been complied with.

10. In case the claimant shall not have complied with the rule in respect of delivering particulars of his claim, the judge may, upon such terms as he may direct, allow him to deliver the same.

11. A claimant may deposit with the bailiff an amount equal to the value of the property seized or attached, or to the amount for which the seizure or attachment has been made, whichever shall be the lesser sum, to be by such bailiff paid into court to abide the decision of the judge upon such claim, and thereupon the bailiff shall redeliver the property to such claimant. In case of disagreement as to the value of the property seized or attached, the matter shall be decided by the clerk, subject to an appeal to the judge.

12. On dismissal of a claim to any property taken in execution or attached, the costs of the bailiff shall be allowed to him, unless the judge shall otherwise order, and payment thereof may be enforced in the same manner as a judgment of this court.

#### REPLEVIN

13. Where a person claims to be entitled to possession of personal property in the possession of another, he may, subject to the provisions of subsection 4 of section 54, enter a claim in replevin and cause to be issued a summons in replevin.

14. The claim in replevin shall specify and describe in detail the property claimed, the value thereof, and the facts upon which the claim is based, and the damages, if any, claimed and the particulars thereof.

15. At the time of entering the claim in replevin, there shall be filed with the clerk of the court, an affidavit of the person claiming the property or his solicitor or agent, deposing,

- (a) that the facts set out in the particulars of claim are true; and
- (b) that the deponent knows of no reason why the summons should not issue.

16.—(1) The bailiff shall before acting on the summons obtain from the plaintiff a bond with two or more sureties satisfactory to the bailiff or to the judge in double the value of the property to be replevied as stated in the summons, which bond shall be assignable to the defendant.

(2) Instead of furnishing a bond, the plaintiff may pay into court to the credit of the action an amount equal to double the value of the property to be replevied and such payment shall be in lieu of the bond and shall be subject to the same terms, conditions and disposition as a bond.

17.—(1) In accordance with the summons in replevin the bailiff shall take and detain the property until otherwise directed by the judge, or the judgment in the action.

17. (2) In case the property to be replevied or any part thereof,

- (a) is secured or concealed in any dwelling house or other building or enclosure of the defendant or of any other person holding it for him; and
- (b) is not delivered to the bailiff within six hours after demand,

the bailiff may and if necessary shall, but during daylight only, break open such house, building or enclosure for the purpose of replevying such property or any part thereof and shall make replevin according to the summons.

18. The copy of the summons shall not be served upon the defendant until the bailiff has replevied the property or some part of it if he cannot replevy the whole.

19.—(1) The bailiff shall with the return of the summons file with the clerk,

- (a) the bond filed by the plaintiff; and
- (b) a list of the property replevied.

(2) In case the bailiff replevies only a part of the property specified and described in the summons and is unable to replevy the balance, he shall state in his return the part of the property which he was unable to replevy and the reasons therefor.

20. Where a summons in replevin is issued, the defendant may at any time prior to judgment, on two days notice to the plaintiff, apply to the judge on affidavit, to discharge or vary the summons, or to stay proceedings thereunder, or for any other relief specified in the notice, and the judge may make such order as to him may seem meet.

21. Where the defendant has been duly served with a copy of the claim and summons in replevin, then, unless he has left with the clerk within the time prescribed in the summons a notice in writing that he intends to dispute the claim, the plaintiff may proceed with the action in the same manner as if the defendant

had appeared and had admitted the plaintiff's right to the possession of the property, and final judgment may be entered by the clerk and the property shall then be delivered by the bailiff to the plaintiff and the plaintiff may proceed at the next sittings of this court as if the defendant had appeared and had admitted the plaintiff's right to the possession of the property.

22. Where the defendant succeeds, the judgment shall be for the return of the goods to him with such costs and damages as may be awarded.

#### COUNTERCLAIM

23. Where the action of the plaintiff is stayed, discontinued or dismissed, or where he does not appear, a counterclaim or set-off may nevertheless be proceeded with.

24. Where a counterclaim has been filed a notice of dispute may be filed as to a claim, but if the defendant to the counterclaim fails to file a notice of dispute, no final judgment on the counterclaim shall be signed by the clerk.

#### NOTICE OF TRIAL

25.—(1) The clerk shall be responsible for furnishing the parties to the action with written notice of the time, place and date of trial.

(2) Written notice of the time, place and date of trial may be furnished to any of the parties,

- (a) by handing the notice to the party or other person attending on his behalf at the clerk's office; or
- (b) by sending the notice by prepaid post to the party at the address furnished to the court as his address or appearing as his address upon any claim, notice of dispute or counterclaim filed by him; or
- (c) where such an address does not appear upon the claim, notice of dispute or counterclaim, as provided by clause *b*,
  - (i) by delivering the notice to the party personally, or
  - (ii) by sending the notice by prepaid post to the party at an address at which the clerk is satisfied the notice will reach the party, and so certified in writing upon a duplicate thereof which shall be filed with the papers in the action.

(3) The clerk shall keep a record in the procedure book of the giving of written notice of trial and the mode of giving such notice and other particulars thereof.

26. Where, upon an appeal, a new trial is ordered, the clerk shall, upon receipt of a copy of the order of the appellate court, place the case on the list for trial in accordance with rule 27 and furnish notice to the parties in accordance with rule 25.

#### TRIAL LIST

27. Except in the case of an action in which final judgment may be signed by the clerk under section 88, an action shall be placed on the list for trial for the first sittings of the court for which notice of trial may be given by the clerk and shall be there dealt with by the trial judge.

#### REVIVING JUDGMENT

28. No proceedings shall be taken to enforce payment of a judgment after ten years from the date thereof, except where, upon notice to the judgment

debtor or his personal representative and upon affidavit evidence, the judge has made an order permitting further proceedings to be taken.

#### JUDGMENT SUMMONS

29. (1) A judgment debtor residing more than three miles from the place of examination shall, at the time and place of service of the judgment summons, be paid or tendered the sum of \$1.50, and where he resides more than ten miles from the place of examination, a further sum of ten cents for each mile in excess of ten.

(2) Amounts paid under this rule shall be costs in the cause unless otherwise ordered by the judge.

#### WARRANT OF COMMITMENT

30.—(1) A warrant of commitment shall bear date on the day on which the order for commitment is made and shall continue in force for six months from such date and no longer, unless renewed by an order of the judge prior to the expiration of the warrant made upon affidavit, showing the cause of non-execution, and that the moneys payable thereunder have not been satisfied in whole or in part, and such renewal may be for a period not exceeding six months.

(2) Renewal of a warrant of commitment shall be made by the clerk on the margin of the warrant by endorsing thereon:

“Renewed by Judge’s order for                      months  
from the                      day of                      A.D.  
“X.Y., Clerk.”

(Note)—This form is to be printed on the warrant.

#### MINORS

31. No proceeding shall be taken by a minor in an action, other than an action referred to in section 58, until he has filed with the clerk of the court a written authority signed by a next friend authorizing the action to proceed in the name of the minor by such next friend.

#### MARRIED WOMEN

32. A judgment against a married woman shall be in the same form as any judgment but shall be deemed to be subject to the following provisions, namely, that the judgment shall be satisfied out of the separate property of the defendant which she is at the date of the judgment or may thereafter be possessed of or entitled to and not otherwise: but such judgment shall not render available to satisfy it any separate property which the defendant is or may be restrained from anticipating unless by reason of section 10 of *The Married Women’s Property Act* such property shall be available to satisfy the judgment notwithstanding such restriction.

#### ORDER FOR DETENTION; PRESERVATION; INSPECTION

33. The judge may upon application of any party to an action or matter, and upon such terms as he may deem proper, make an order for the detention, preservation, inspection or measuring of any property being the subject of such action or matter, or as to which any question may arise therein, and for all or any of the purposes aforesaid may authorize any person to enter upon or into any land or building in the possession of any party to such action or matter, and for all or any of the purposes aforesaid may authorize samples to be taken, or observations, plans, or models to be made, or experiment to be tried, which may be necessary or expedient for the purpose of obtaining full information or evidence.

#### INSPECTION OF DOCUMENTS

34. The judge may upon application of any party to an action or matter, upon notice, and upon such terms as he may deem proper, make an order for the production and inspection of any books, writings, instruments, or documents, relating to or affecting the question in issue, and in the possession, power, custody or control of any other party to the action or matter, at such time and place as he may appoint, and in default of such production for inspection as so directed the judge may in his discretion exclude such books, writings, instruments or documents from being given in evidence in such action or matter.

#### AFFIDAVITS AND OATHS

35. Every affidavit shall be divided into numbered paragraphs, and shall state concisely such matters and facts as may be necessary to truly inform the court.

36. Every affidavit shall be drawn in the first person stating the name of the deponent at the commencement in full, and his description and true place of abode, and shall be signed by him, and in any proceeding in the court shall be entitled in the court and cause, if a cause has been commenced, stating the names in full of the parties as in the summons.

37. In an affidavit made by more than one deponent, the names of the several deponents shall be inserted in the jurat, unless all the deponents are sworn at one time by the same officer.

38. Affidavits shall be confined to a statement of facts within the knowledge of the deponent, but on interlocutory motions, statements as to his belief with the grounds thereof may be admitted.

39. An affidavit sworn by a person who appears to be illiterate or blind shall not be used without leave unless the officer taking the affidavit certifies in the jurat that the affidavit was read in his presence to the deponent, who seemed perfectly to understand it, and signed it in his presence.

40. An affidavit having in the jurat or body thereof any interlineation, alteration or erasure shall not be used without leave, unless the interlineation, alteration or erasure is authenticated by the initials of the officer taking the affidavit.

41. An affidavit sworn before the solicitor of the party on whose behalf it is made, or before the clerk or partner of such solicitor, shall not be used except by leave of the judge.

#### SECURITY FOR BAILIFF’S FEES

42. Where an attachment has issued against an absconding debtor or an execution issued against the property of a judgment debtor, and a plaintiff or defendant, judgment creditor or other person interested in the claim, judgment or execution, insists upon the bailiff making an attempt to find property, he shall deposit with the clerk the amount of bailiff’s fees and mileage.

#### ABSCONDING DEBTORS

43. Where an attachment issues (whether the suit is commenced by attachment in the first instance or not), unless the defendant is personally served, the hearing or trial shall not take place until one month after the seizure under the attachment, unless the judge otherwise orders.

44. When several persons sue out warrants of attachment against an absconding, removing, or concealed debtor, each one of such attaching creditors may enter a defence, set-off or counter-claim, and call and examine, and cross-examine witnesses as to any debt or claim proved or attempted to be proved against the debtor, or as to such set-off or counterclaim in the

same way and to the same extent as the debtor himself might do were he personally to appear and defend the suit on any ground whatever.

45. Before issuing an attachment against an absconding, removing or concealed debtor, it shall be the duty of the clerk to see that immediately following the statement in the affidavit of the amount due to the attaching creditor, the cause and subject of such indebtedness is properly set forth.

46. Where several judgments have been recovered against an absconding debtor, it shall not be necessary to issue execution upon each such judgment but one execution against the property seized upon the attachment shall issue for the sale thereof, to satisfy the judgments of those creditors, and so much of such property as shall be sufficient to satisfy the said judgment and costs, may be sold thereunder, or if the property has been previously sold as perishable, enough of the proceeds may be applied by the clerk to satisfy such judgments and costs, without execution.

50. The clerk shall not withhold any moneys received from the parties except for unpaid costs in the action in which such moneys are recovered.

51. 55. When a notice is mailed by the clerk by prepaid registered post, he shall obtain and preserve with the papers in the suit a certificate of such registration.

56. Where there are no cases to be tried at any sittings of a division court, the clerk of the division court shall so notify the judge by a letter or telegram which in the ordinary course of post or wire, as the case may be, will reach its destination at least twenty-four hours in the case of a county, and at least forty-eight hours in the case of a district, before the time set for the sittings of the court, and where the clerk is unable to notify the judge in accordance with the foregoing because of the settlement or adjournment by consent of any case or for any other reason, he shall nevertheless notify the judge with all diligence.

59. The clerk shall enter in the Procedure Book the full amount of moneys returned by the bailiff with an execution and shall show therein the amount which he has taxed and paid the bailiff as his fees therefor.

60. Every judgment and order of the court shall be entered by the clerk in the Procedure Book, and when an order is made for the payment of any debt, damages, costs or other sum of money, it shall be payable at the office of the clerk.

#### BAILIFF'S DUTIES

61. The bailiff shall maintain a book of record.

67. A bailiff receiving any money by virtue of his office shall promptly after the receipt thereof pay it over to the clerk.

68. A bailiff receiving an execution shall immediately endorse upon it a statement of the day and the hour when he received it, and in addition to the formal return in the prescribed form, on every execution returned he shall give a statement of the particulars of all his fees and disbursements in the execution thereof, and give a similar statement in making returns of summons of replevin and warrants of attachment.

- (e) one of two Centre Streets, to "Rennie Street",

which said By-law has received two readings by the Council of The Corporation of the City of Hamilton at its regular meeting on the 31st day of October, 1950.

#### NOTICE

TAKE NOTICE that, pursuant to paragraph 47c of s. 405 of The Municipal Act, R.S.O. 1937, c. 266 as enacted by The Municipal Amendment Act, 1948 (12 Geo. VI, c. 59) s. 13, W. F. Schwenger, Esq., Judge of the County Court of the County of Wentworth has appointed Wednesday the 31st day of January, 1951 at ten o'clock in the forenoon, at his Chambers in the Court House at Hamilton for considering the above-mentioned by-law and for hearing those advocating and opposing the change of names of highways or any of them as therein mentioned.

The reasons cited in the By-law for Changing the Names are as follows:

WHEREAS the name "Main Street" is no longer a suitable name for that portion of Main Street extending from Strathearne Avenue easterly to Parkdale Avenue, inasmuch as geographically it is more or a westerly extension of Federal Avenue,—while on the other hand the Queenston Road into which Main Street leads, from Strathearne Avenue easterly, would more appropriately be named Main Street;

AND WHEREAS the name "Newlands Road" is no longer a suitable name for the highway (which runs southerly from the Toronto, Hamilton and Buffalo Railway Company's right of way and is the first street east of Rosseau Road), since it is liable to be confused with another highway bearing the name of "Newlands Avenue" (which is the first street south of Barton Street at Kenilworth Avenue);

AND WHEREAS the name "Roosevelt Road" is no longer a suitable name for the third street west of Ottawa Street on the mountain, since it is liable to be confused with another highway bearing the name of "Roosevelt Avenue" (which is the first street east of Kenilworth Avenue, running southerly from Beach Road);

AND WHEREAS the name "Centre Street" is no longer a suitable name for the first street north of the C.N.R. main line, running easterly from Parkdale Avenue, since it is liable to be confused with another highway bearing the same name (which runs easterly from Wellington Street, south of Charlton Avenue).

This notice is published pursuant to the above-mentioned statute and the directions of W. F. Schwenger Esq., Judge of the County Court of the County of Wentworth.

Clerk of The Corporation of
